What is Notre Dame Day?

Notre Dame Day is a 29-hour celebration of our University. The Notre Dame Family competes to raise money for various causes. A \$10 donation equals 5 votes and helps the club win a portion of a larger fund. Help our club raise money for future programming and networking events!

I need more time. Can I join in the fall?

Absolutely. If you are interested, we will also be conducting case prep webinars and out reach events over the summer.

“The **pursuit of innovation** is not elegant. It is grit, determination, and an enduring imperative to **move forward.**”

– Marc Chapron, MBA '14
Director, Global Strategy at Starbucks

“ If you want to be a great **leader**, don’t stay in your comfort zone. Learn to **trust** your people and **challenge** yourself. It is possible to effectively lead without having all the answers.”
